Butch/Jeff,

Again my name is David Garcia, Deputy Director of EPA Region 6 Water Division. I am currently stationed at your office to enhance communication and planning for to the GKM spill. Sam Coleman wanted me to get the attached information regarding 8/5-6 river sampling data at 32nd St Bridge - Preliminary Data. Please share with Secretary Flynn at your convenience. Let me know if I can facilitate any other information for you.

I'm don't have a good handle yet on past data shared but am trying to get a grasp on it. What data are you looking for?

I understand that Reg 8 is sharing preliminary Data with CO through Dave Ostrander. This is now known to the other states. Could you please provide any data shared with CO so we can share with NM. It is very important that we be very consistent.
